

## DIGITAL CERTIFICATE OF AUTHENTICITY

### Certificate of Authenticity

**Title:** *Rise of CONSECTRA – A Unique NFT Collection*

**Issuer:** Özhan Görgülüarslan

**Date of Issuance:** 16.12.2024

### Certification Details

This certificate serves as the official verification of the **Rise of CONSECTRA** NFT collection. Each artwork within this collection represents the spirit of rebirth, transformation, and the eternal flight of the legendary Phoenix. With a profound connection to the symbolism of CONSECTRA, the collection embodies the phoenix's resilience and strength, rising from the ashes to symbolize new beginnings. Each NFT within this collection is a representation of artistic excellence, conceptualized and developed by Özhan Görgülüarslan.

### Collection Description

The *Rise of CONSECTRA* collection is a tribute to rebirth, resilience, and innovation, symbolized by the mythical Phoenix. Each piece in this collection combines mystical artistry with digital innovation, featuring themes of transformation, power, and elegance.

Key features of the collection include:

1. **Central Motif:** The Phoenix, a timeless symbol of renewal and strength.
2. **Signature Element:** The "CONSECTRA" coin, representing the foundation and vision of this collection.
3. **Dynamic Presentation:** Animations and designs crafted to evoke a sense of awe and captivation.
