Certification Details

This certificate serves as the official verification of the Rise of CONSECTRA NFT collection. Each artwork within this collection represents the spirit of rebirth, transformation, and the eternal flight of the legendary Phoenix. With a profound connection to the symbolism of CONSECTRA, the collection embodies the phoenix's resilience and strength, rising from the ashes to symbolize new beginnings. Each NFT within this collection is a representation of artistic excellence, conceptualized and developed by CONSECTRA design team.

Collection Description

The Rise of CONSECTRA collection is a tribute to rebirth, resilience, and innovation, symbolized by the mythical Phoenix. Each piece in this collection combines mystical artistry with digital innovation, featuring themes of transformation, power, and elegance.

Key features of the collection include:

1. Central Motif: The Phoenix, a timeless symbol of renewal and strength.
2. Signature Element: The "CONSECTRA" theme, representing the foundation and vision of this collection.
3. Dynamic Presentation: Unique designs crafted to evoke a sense of awe and captivation.

Terms and Conditions:

- **Ownership:** By acquiring any NFT within the Rise of CONSECTRA collection, the buyer acknowledges the ownership of a unique, original digital artwork. All copyrights remain with the artist, CONSECTRA, and any use beyond personal display must be authorized.
- **Authenticity:** Each NFT is a verifiable digital asset and its authenticity can be traced via the blockchain. The authenticity and uniqueness of the piece are guaranteed by the artist.
- **Limited Edition:** The Rise of CONSECTRA collection is a limited-edition series. No more than the listed number of NFTs will ever be created for this series.

Certification of Ownership

This certificate is a digital proof of your ownership of a piece in the Rise of CONSECTRA collection. The artwork is digitally signed and uniquely verified, ensuring its authenticity as a genuine work from the Rise of CONSECTRA series.

Owner Rights

The owner of each NFT in the Rise of CONSECTRA collection has the following rights:

1. Proof of Ownership: Secure and verifiable on the blockchain.
2. Non-Exclusive Commercial Use: Limited rights to display, use, or license the associated media for personal or non-commercial purposes.
3. Immutable Record: Ownership and transaction history permanently recorded on the blockchain.

Disclaimer: Ownership of the NFT does not grant intellectual property rights or copyrights over the design or associated media unless explicitly stated.

Security Features

- Each NFT in the collection is accompanied by a unique SHA256 hash ensuring tamper-proof verification.
- Transactions are permanently recorded on the Polygon blockchain, ensuring provenance and authenticity.
- All metadata and artwork information are cryptographically secured.

Signature:

This certificate stands as an official document affirming the authenticity of the Rise of CONSECTRA NFT collection.
