# Security & Verification

- SHA-256 Cryptographic Hashing for each digital asset
- Immutable ownership records on Polygon blockchain
- IPFS decentralized storage ensuring permanent accessibility
- Smart contract verified ownership and transfer mechanisms
- Multi-signature wallet security for royalty distributions
- · Regular third-party security audits

# Terms and Conditions

#### **Ownership:**

By acquiring any NFT within the Rise of CONSECTRA collection, the buyer acknowledges ownership of a unique, original digital artwork. All intellectual property rights and copyrights remain exclusively with CONSECTRA Design Team. Commercial use, reproduction, or distribution requires explicit written authorization.

### **Authenticity:**

Each NFT is a verifiable digital asset with authenticity traceable via Polygon blockchain. The cryptographic signature guarantees uniqueness and provenance. Digital fingerprints (SHA-256) ensure tamper-proof verification of each artwork.

### **Limited Edition:**

The Rise of CONSECTRA collection is a strictly limited edition series. Maximum supply is capped at 90 NFTs total. No additional tokens will be minted beyond the original collection. Each NFT represents a unique 1/1 digital artwork.

## Certification of Ownership

This document serves as official certification that the Rise of CONSECTRA NFT collection comprises 90 authentic digital artworks created by CONSECTRA Design Team. Each piece is digitally signed, blockchain-verified, and represents genuine ownership within this limited series.

The collection embodies the highest standards of digital artistry, combining mythological symbolism with cutting-edge blockchain technology. Every NFT is backed by immutable blockchain records ensuring perpetual authenticity and provenance.

# **Owner Rights**

- **Proof of Ownership:** Verifiable on Polygon blockchain with transparent transaction history
- Display Rights: Unlimited personal display across digital platforms and social media
- Non-Commercial Use: Rights to use associated media for personal, non-commercial purposes
- Transfer Rights: Ability to sell or transfer ownership on secondary markets
- **Royalty Benefits:** 5% royalty share on all secondary market sales
- Community Access: Eligibility for exclusive holder events and future airdrops

Note: Ownership rights do not include commercial licensing or intellectual property rights unless explicitly granted through separate agreement.
